General Information

TIME—Monday, Oct. 16, 1967. Sale will start promptly at 12:00 Noon.

LOCATION—The sale will be held in the Swift County Fairgrounds Pavilion, Appleton, Minn., located at the intersection of U. S. Highway 59 and Minnesota 40.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the seller, Dale Perry & Sons and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

Statements from the block will take precedence over information given in the catalog.

HEALTH—All cattle will be sold according to the health regulations of the State of Minnesota. Buyers must be aware of any variations between the laws of Minnesota and their own states. Interstate health certificates will be furnished.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

VETERINARIAN—Dr. Chris Nissen, Appleton, Minn.

AUCTIONEER—Dick Kane, Wisner, Nebr.

SALE MANAGER—Albert J. Hamann, Rock Rapids, Iowa.

PERSONNEL—Ted Aegerter, American Shorthorn Assn., Seward, Nebraska; Bill Stunkel, The Shorthorn World, Fremont, Nebraska; Col. Clarence Brown, Appleton, Minn.

MAIL ORDERS—Those unable to attend who desire to buy may contact any of the above men all of whom will be in attendance. Late bids on sale day can be phoned to the Sale Manager who can be reached at the Swift County Fairgrounds Pavilion, Appleton, Minn.

RESERVATIONS—Lodging may be obtained at the Appleton Motel, Appleton, Minnesota 56208.
phone: Area Code 612 289-1212

HERD INSPECTION—The cattle will moved to the sale pavilion the day before the sale. Those who arrive prior to that are welcome to inspect the cattle at Westwood Farm which is located $\frac{1}{2}$ mile East of Appleton, Minn.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over data in the catalog.

LUNCH—The Appleton FFA Chapter will have a lunch stand in the pavilion.

FURTHER INFORMATION—For those wishing further information prior to the sale, either contact the owner, Dale Perry, Appleton, Minn. Phone: (A.C.) 612 289-2660 or the sale manager, Albert J. Hamann, Rock Rapids, Iowa, Phone Area Code 712 472-3676.

It is always rather regrettable to be a part of the dispersion sale of an energetic, progressive Shorthorn enterprise.

However, I know and realize that the Perry family's reasons are valid ones. Also, I realize that their work and efforts are not lost because they will be passed on to the gain of others.

Establishment and operation of the Westwood herd has been a real family operation and every member has contributed something to the Shorthorn industry.

They have been loyal boosters of their state and district associations' programs and events. It was through their work and efforts that a strong state sale was organized and established at Appleton. They have supported their sales, shows and fairs by consignments and exhibiting.

Their aim was to make progress and improve their herd. This they have done with careful selection, rigid culling and good care. The breeding is correct, the individuality is good, and good herd bulls have been the rule rather than the exception. A study of the catalog and inspection of the herd sale day will verify this.

The present state of this herd is sound, healthy and extremely productive. Everyone will be impressed with the quality of the young stock and the burly, husky calves at foot.

These cow and calf combinations should be a profitable investment for anyone.

Therefore, be sure to make plans to attend this sale for your own profit and as a reward to the Perrys' for their untiring efforts for more and better Shorthorns, and better livestock.

Remember the date is OCTOBER 16, and the place APPLETON.

ALBERT J. HAMANN, Sale Manager

It is with regret . . .

that we sell our Shorthorn herd. It has been a source of pride, satisfaction and enjoyment for our entire family.

We have enjoyed working with Shorthorns, Shorthorn people, exhibiting at fairs and attending sales and Shorthorn events. We have had occasion to meet and make friends with many fine people who otherwise we would not have known.

However, at the present time we feel we cannot continue to do justice to the herd as we have always done because Jim, the right hand man, is attending the University of Minnesota (Morris Branch) and is a member of the football team. Gail, also a big help, is getting busier in high school. Ev, besides keeping the home, is helping out in the newspaper office, and Dale, himself, has been doing two mens' work in farming and running a business in Appleton. Also, a rather severe drought in the area has made a very tight feed situation.

Therefore, rather than let the herd deteriorate due to lack of care and feed, the decision to disperse. However, our plans are to keep in contact with the Shorthorn business on a lesser scale.

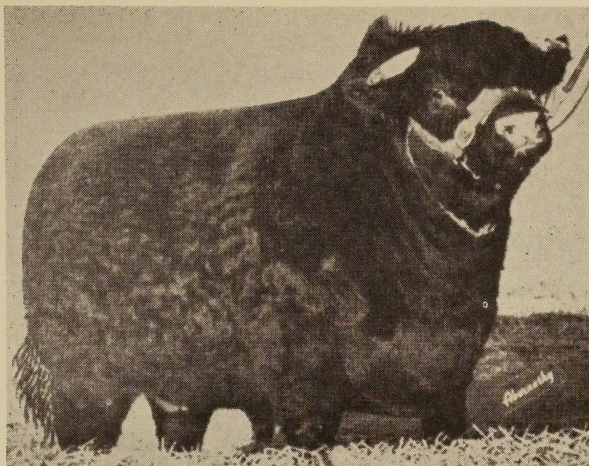

The herd was established fifteen years ago with young, well bred cattle. Selected females have been added from time to time. Considerable time and travel have been spent finding the herd bulls we wanted. Rigid culling has always been practiced. The herd is now still young and productive with excellent calf crops every year.

Although not highly fitted, they are in good thrifty breeding condition and we can honestly recommend them to go on and do as well for others as they have done for us.

We sincerely hope that you will be with us on sale day, October 16 to inspect and appraise our strong bulls, good milking brood cows with their husky calves, and our young females intended for replacement.

We trust we will have the pleasure of seeing all of you.

DALE, EV, JIM and GAIL PERRY

SHIRGARTON RANGER

ARCHER'S RECTOR—This good headed, big, rugged, heavy boned bull was purchased for herd use in the 1966 Canadian International Bull Sale at Brandon, Manitoba, where he placed second in a strong class. In addition, in 1965 he was the grand champion bull at the North Dakota State Fair at Minot. He is sired by Borsota Regalia, one of the very best breeding sons of the \$20,000 "Miracle Bull", Shirgarton Ranger. His dam is a granddaughter of the great sire, Imp. Millhills Fantasy who made a great record in the Eldak herd. Just a 3-year old, this proven sire should go to a good herd. The 25 calves at foot by him will be his best recommendation sale day. In addition, 30 some females will carry his valuable service. Only because we are dispersing is he offered for sale.

WESTWOOD ROUSER—A very good, big, strong, rugged, heavy boned bull that is smooth and well balanced. He gave a very good account of himself in our show herd. In 1966 he was second prize summer yearling at the Minnesota State Fair, Fargo, N. D., and Supreme Champion Over All Breeds at the Swift County Fair. Here is a bull that should go to a good herd, and is ready for heavy service.

WESTWOOD LAVENDER—This was the senior heifer calf in our 1967 show herd that sells open.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
